

Merry Christmas

Town of Norris Point

December 2014

Message from Our Mayor

It is that time of year again to bring greetings from your Council and staff. It is a time for celebration with friends and family. Also a time for reflection of the events that occurred during the past year. Council and Staff have been diligently working to improve our town over the past twelve months. A number of projects have been completed, such as the floating dock in Neddies Harbour, new shingles on the Town hall, some paving on our Main Street, Jenniex House renovations plus a number of smaller projects. We are presently working to complete two other projects, the walking trails within our town and a lift station in Neddies Harbour that needed upgrading. There is need for paving and water and sewer on some of our side roads to which we are trying to acquire funding to have completed. There are other projects that we are working on also.

This Past Year our Town Clerk/Manager for Thirty Five Years retired, with her leaving went a vast amount of knowledge about administering a Municipality. Good Luck Regina, hope you have a long and healthy retirement. With her departure her position was filled by Jennifer Samms. April Crocker was hired as Town Clerk/Assistant, with her comes enthusiasm and lots of energy. Welcome April. Our Town Clerk/Manager has completed a balanced budget for this year. There will not be any tax increases for this fiscal year.

On behalf of the Norris Point Council and Staff we wish each and every one of you a joyous Christmas and a very Prosperous New Year!

Mayor Joe Reid
